## CHAMBER SCHEDULES WORKSHOP DOUBLE-HEADER TO HELP BUSINESSES LEARN TO COMPLY WITH L&I

TRI-CITIES, Wash., – The Tri-City Regional Chamber of Commerce has scheduled a Confident Compliance virtual workshop double-header for business owners and representatives on August 18, 2020 from 10 am – 12:30 pm.

The Tri-City Regional Chamber of Commerce, in partnership with the Washington State Department of Labor & Industries (L&I), serves as a hub for small businesses and non-profits seeking to ensure compliance of regulations required by L&I. The Confident Compliance program is offered as monthly workshop covering L&I basics.

The first of the two Aug. 18 workshops, “Navigating the L&I Website & Creating a My L&I Account,” will walk attendees through where and how to find crucial information on the L&I website as well as how to create a My L&I Account and how to use various functions within their account.

The second workshop on Aug. 18, “Accident Prevention Program (APP): What is it and how do I make one?”, will explain what an Accident Prevention Program is for most industries and will show attendees what a general APP needs, as well as what a sample APP looks like. Attendees are invited to begin working on their own APP during this workshop.

Both topics are suited for newcomers looking to ensure compliance with L&I as well as those looking for a refresher on these two areas.

Registration for this workshop double-header is free. Interested parties can [register here](#).
