## MEDIA ADVISORY – MYTRI 2030 COMMUNITY MEETINGS

KENNEWICK, Wash., – Details relating to the next steps of the myTRI 2030 Regional Vision Project will be shared in the community presentation at the Pasco Public Library on Saturday, March 16 at 11 am.

The presentation will be a condensed version of the presentation given at the myTRI 2030 Regional Vision Launch Event on February 27. The goal is to inform those who were not at the luncheon and may not be comfortable gathering the information at [www.mytri2030.com](http://www.mytri2030.com). There will be no new information other than what was already relayed at the February luncheon and on the website.

Two more myTRI 2030 Community Meeting events are planned: March 21 at 7 pm at the Mid-Columbia Libraries branch on S Dayton in Kennewick, and March 28 at 7 pm at the Richland Public Library.

If you plan on attending, please contact Austin Regimbal at 509.491.3238 or [austin.regimbal@tricityregionalchamber.com](mailto:austin.regimbal@tricityregionalchamber.com).
