

TRI-CITIES OPEN AND SAFE PLEDGE

Tri-Cities local business commitment to creating a clean, safe, and healthy environment for residents and visitors as we begin to reopen our businesses and organizations following COVID-19 restrictions.

WHAT IS IT?

The Tri-Cities Open and Safe Coalition has launched "Tri-Cities Open and Safe," a region-wide initiative to support and recognize local businesses as the Tri-Cities begins to reopen under the Safe Start Washington proclamation. The intent of the initiative is to protect public health and restore our local economy. This free program is being led by the following organizations:

WHY SHOULD BUSINESSES PARTICIPATE?

To help build confidence among residents and visitors, the Tri-Cities Open and Safe Coalition is asking local businesses to voluntarily pledge to commit to the health and safety of all employees, volunteers and patrons. Studies are showing that customer confidence regarding health and safety practices will assist businesses during the economic recovery.

WHAT HAPPENS WHEN A BUSINESS SIGNS UP?

By taking the pledge, businesses will be listed on TCOpenAndSafe.com. Businesses also gain access to valuable resources and additional marketing tools to help spread the word about their pledge and commitment to public health.

HOW DO I SIGN UP?

Simply complete the commitment form found below. The Tri-Cities Open and Safe Coalition will follow up with instructions on how to move forward.
